

Polis Parking Working Group meeting

Malaga, 20 September 2019

Venue: Trade Fair and Congress Centre, Malaga
Av. de José Ortega y Gasset, 201 – room tbc

After an intensive meeting in Lille in March, the EPA-Polis Parking Working Group is reconvening in Malaga on the occasion of the EPA Congress 2019. After a tour de table with lessons learned from the EPA Congress, we will spend time to meet professor Donald Shoup, Distinguished Research Professor in the Department of Urban Planning at UCLA. His research has focused on transportation, public finance, and land economics. After that meeting, we will discuss the outline of the Polis policy paper on Parking and Urban Development – a decision taken at the Lille meeting.
