

## ICT-Emissions Final Conference “Quantifying the Effect of Intelligent Transport Systems on CO<sub>2</sub> Emissions from Road Transportation”

Tuesday, March 31<sup>st</sup>, 2015  
10:00 - 15:00  
c/o Polis, Rue du Trône 98, Brussels, Belgium

### AGENDA

- 09:00 – 10:00 Registration and Coffee**
- 10:00 – 10:15 Introduction**, Aude Glénisson, European Commission and Zisis Samaras, LAT/AUTH
- 10:15 – 10:45 The ICT-Emissions modelling framework**
- **Traffic modelling** – Silvana Toffolo, CNH
  - **Emissions modelling** – Leonidas Ntziachristos, LAT/AUTH
- 10:45 – 12:45 Case study cities (Madrid, Turin, Rome, Munich): Results and future perspectives**
- **Variable Speed Limit** – Alvaro Garcia, TRANSyT/UPM
  - **Green Navigation** – Cristina Valdes, TRANSyT/UPM
  - **Urban Traffic Control** – G. Tuffanelli, Roma Mobilità & G. Magra, CNH
  - **Ecodriving** - Giorgio Magra, CNH and Alvaro Garcia, TRANSyT/UPM
  - **Start-Stop Scenarios** – Christian Vock, AVL
  - **Adaptive Cruise Control Systems** – Werner Maier, B&M
- 12:45 – 13:30 Networking lunch**
- 13:30 – 13:45 Knowledge transfer for a wider uptake of ICT-based measures in traffic management: The ICT-Emissions Library** – Werner Maier, B&M
- 13:45 – 14:00 Impact assessment of Intelligent Transport Systems (ITS) measures reducing CO<sub>2</sub> emission**, Jean-Charles Pandazis, ERTICO
- 14:00 – 15:00 Conclusions and Outlook: Exploring research areas towards shaping Smart Cities with ITS** – Zisis Samaras, LAT/AUTH

**The workshop is free to attend** and is open to local and regional authorities, automotive manufactures, system suppliers, software companies, and academia.

## Registrations

Please fill in the registration form online at:

<http://www.polisnetwork.eu/publicevents/287/61/ICT-Emissions-Final-Conference>

**In case you have registered but cannot attend the event, please contact Polis:**

Ms. Emeline Giard, E-mail [EGiard@polisnetwork.eu](mailto:EGiard@polisnetwork.eu) or phone +32 2 500 56 70.

## Directions

**Venue:** Polis - Rue du Trône, 98, B-1050 Brussels

### How to reach the venue:

Metro station: Trône (line 2 and 6).

Bus stop: Luxembourg (bus 12 Airport Express).
