Roundtable – ITS benefits and evaluation

Martin Böhm, AustriaTech

2011 Annual Polis Conference - Brussels

Funded by the EC, DG MOVE

Action Area 6:

European ITS Cooperation and Coordination

Action 6.2:

Development of a decision-support toolkit for investment decisions in ITS applications and services. This should include a quantified evaluation of the economic, social, financial and operational impact and cover aspects such as user acceptance, life-cycle cost/benefit as well as the identification and evaluation of best practice for facilities procurement and deployment.

Target Date: 2011

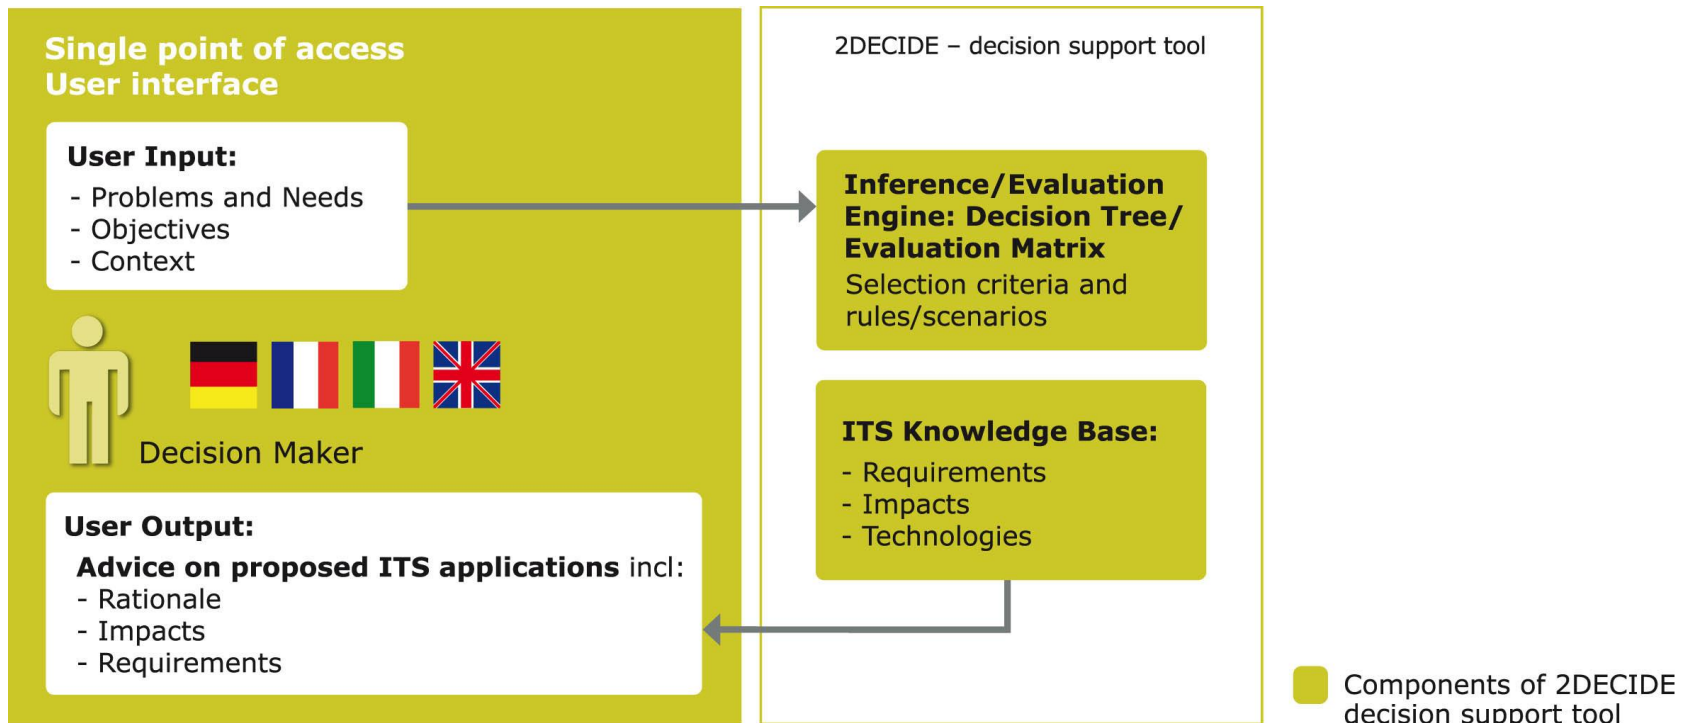

The mission of 2DECIDE is to **improve harmonisation, interoperability and effectiveness** of ITS deployment in road and public transport...

...by introducing a **single entry approach for a new ITS toolkit for better decision making.**

2DECIDE – The concept

2DECIDE ITS toolkit

The screenshot shows a web browser window with the URL <http://www.its-toolkit.eu/2decide/node/38>. The page features a navigation menu with 'Home', 'ITS Toolkit', 'Search Case Study', 'Upload Case Study', 'My account', and 'Log out'. A language selection menu is open, showing options for English, Français, Deutsch, and Italiano. The main content area is titled 'ITS Toolkit' and contains the following text:

The ITS Toolkit aims to help you find and learn about suitable ITS service applications and deployments for a given situation and context. Please choose one or more search criteria from the lists below. In some cases, you can select multiple levels of detail.

Fields that must be selected are both **Geographical Coverage** and **Area of Transport**. In addition, one of the following needs to be selected:

- ITS Service OR
- a Problem OR
- an Objective.

The Toolkit will return the following information:

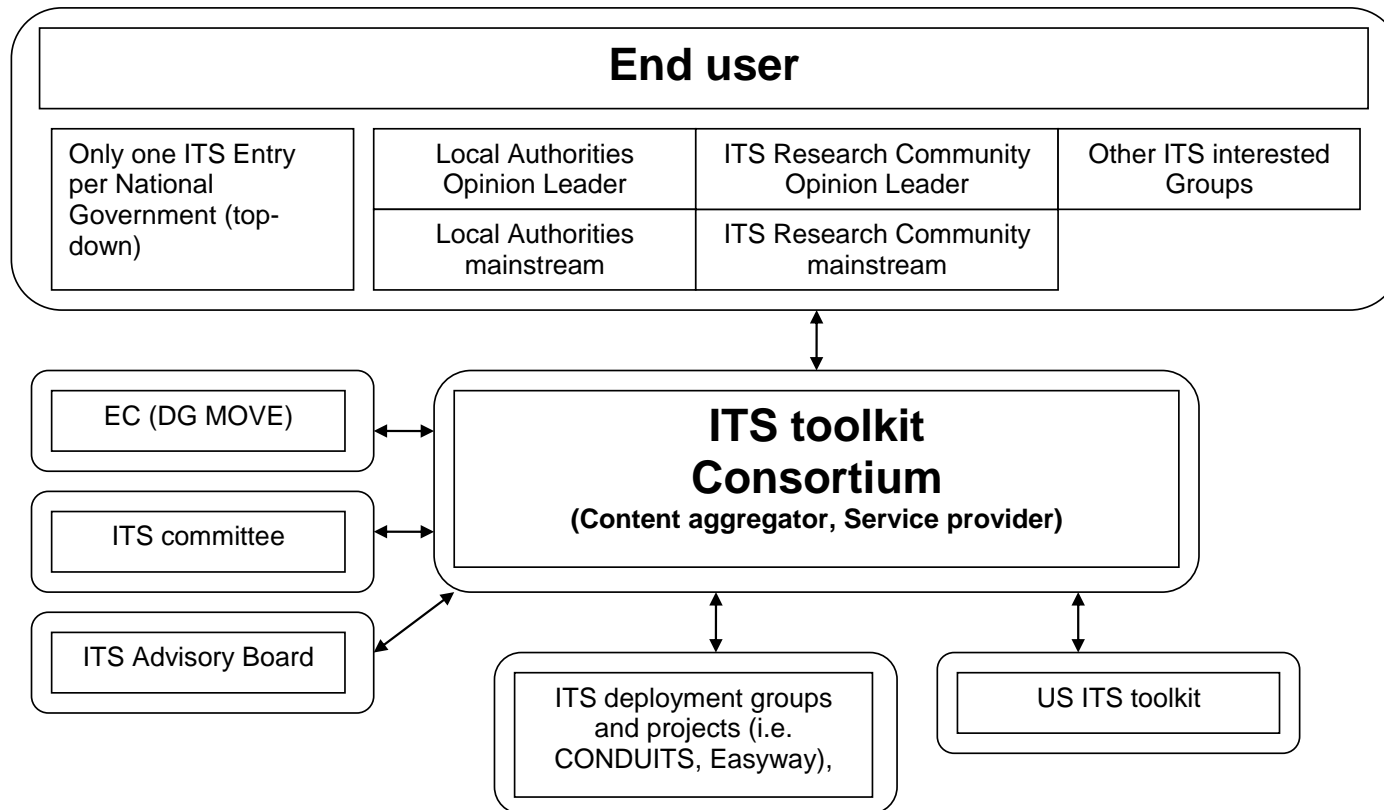

- Step 1: Data entry for user input
- Step 2: ITS services ranked by relevance to the criteria provided
- Step 3: Information on selected ITS services and case studies
- Step 4: Information on selected studies

The search form, titled 'ITS Toolkit', includes the following criteria:

Search criteria	
Geographical Coverage *	Please select
Area of Transport *	Please select
>	
ITS Service	Please select
>	
>	
>	
Problem	Please select
>	
>	
Goal and Objective	Please select
>	

The browser's taskbar at the bottom shows several open applications: Start, IBM Lotus Notes Mail, Mozilla Firefox, ITS Toolkit | ITS TOO..., ITS World Orlando, and IBCS Session - 2DECI... The system tray indicates the time is 10:20 on a DE system.

Strategic environment: 2DECIDE ITS toolkit value network
