3 - France in THE PEP

- Two ministries are involved in THE PEP :
 - The French Ministry of Ecology, Sustainable Development and Energy represents the Transport and Environment pillars.
 - The French Ministry of Social Affairs and Health represents the Health pillar.
- France will host the 4th **High Level Meeting**, as confirmed at the 10th session of the steering committee.

3 - THE PEP in France in 2014

- France proposes to the THE PEP to held its 2014 High Level Meeting as a TRA 2014 associated event, from 16th to 18th April :
 - in La Defense for the technical part, along with TRA 2014
 - downtown Paris for the political part
- The decision should be approved of by THE PEP at the 15th-November Steering Committee.
- This will allow THE PEP members to meet transport researchers, and to promote walking and cycling during a seminar.
