Subject: Evaluation of the Evaluation of the White Paper ‘Roadmap to a single European transport area – towards a competitive and resource efficient transport system’ {COM(2011) 144 FINAL}

Consultants from Ricardo Nederland B.V, Ricardo-AEA Ltd (Ricardo), Trasporti e Territorio Srl (TRT), M-Five GmbH, Transport and Environmental Policy Research (TEPR) and E3-Modelling (E3M) are undertaking a study for the European Commission to support the Evaluation of the White Paper ‘Roadmap to a single European transport area – towards a competitive and resource efficient transport system’ {COM(2011) 144 FINAL}.

The objective of the study is to answer a set of evaluation questions on the White Paper strategy and its implementation since 2011. This will allow DG MOVE to assess effectiveness, efficiency, relevance, coherence and EU added value of the White Paper, with a view to draw lessons for the future

As part of this study, the contractors shall collect necessary data from relevant stakeholder groups. Your cooperation is important to the successful compilation of these data sets, which are the basis for all the other tasks of the study. We would therefore like to encourage you to provide relevant support to our contractors.

If you have any questions regarding this study or require a copy of the Terms of Reference, please contact the project officer in charge: Florian DITTRICH (T: +32 2 296 50 26; E: Florian.DITTRICH@ec.europa.eu).

Yours sincerely,

Rolf DIEMER
