Mobilising Mobility

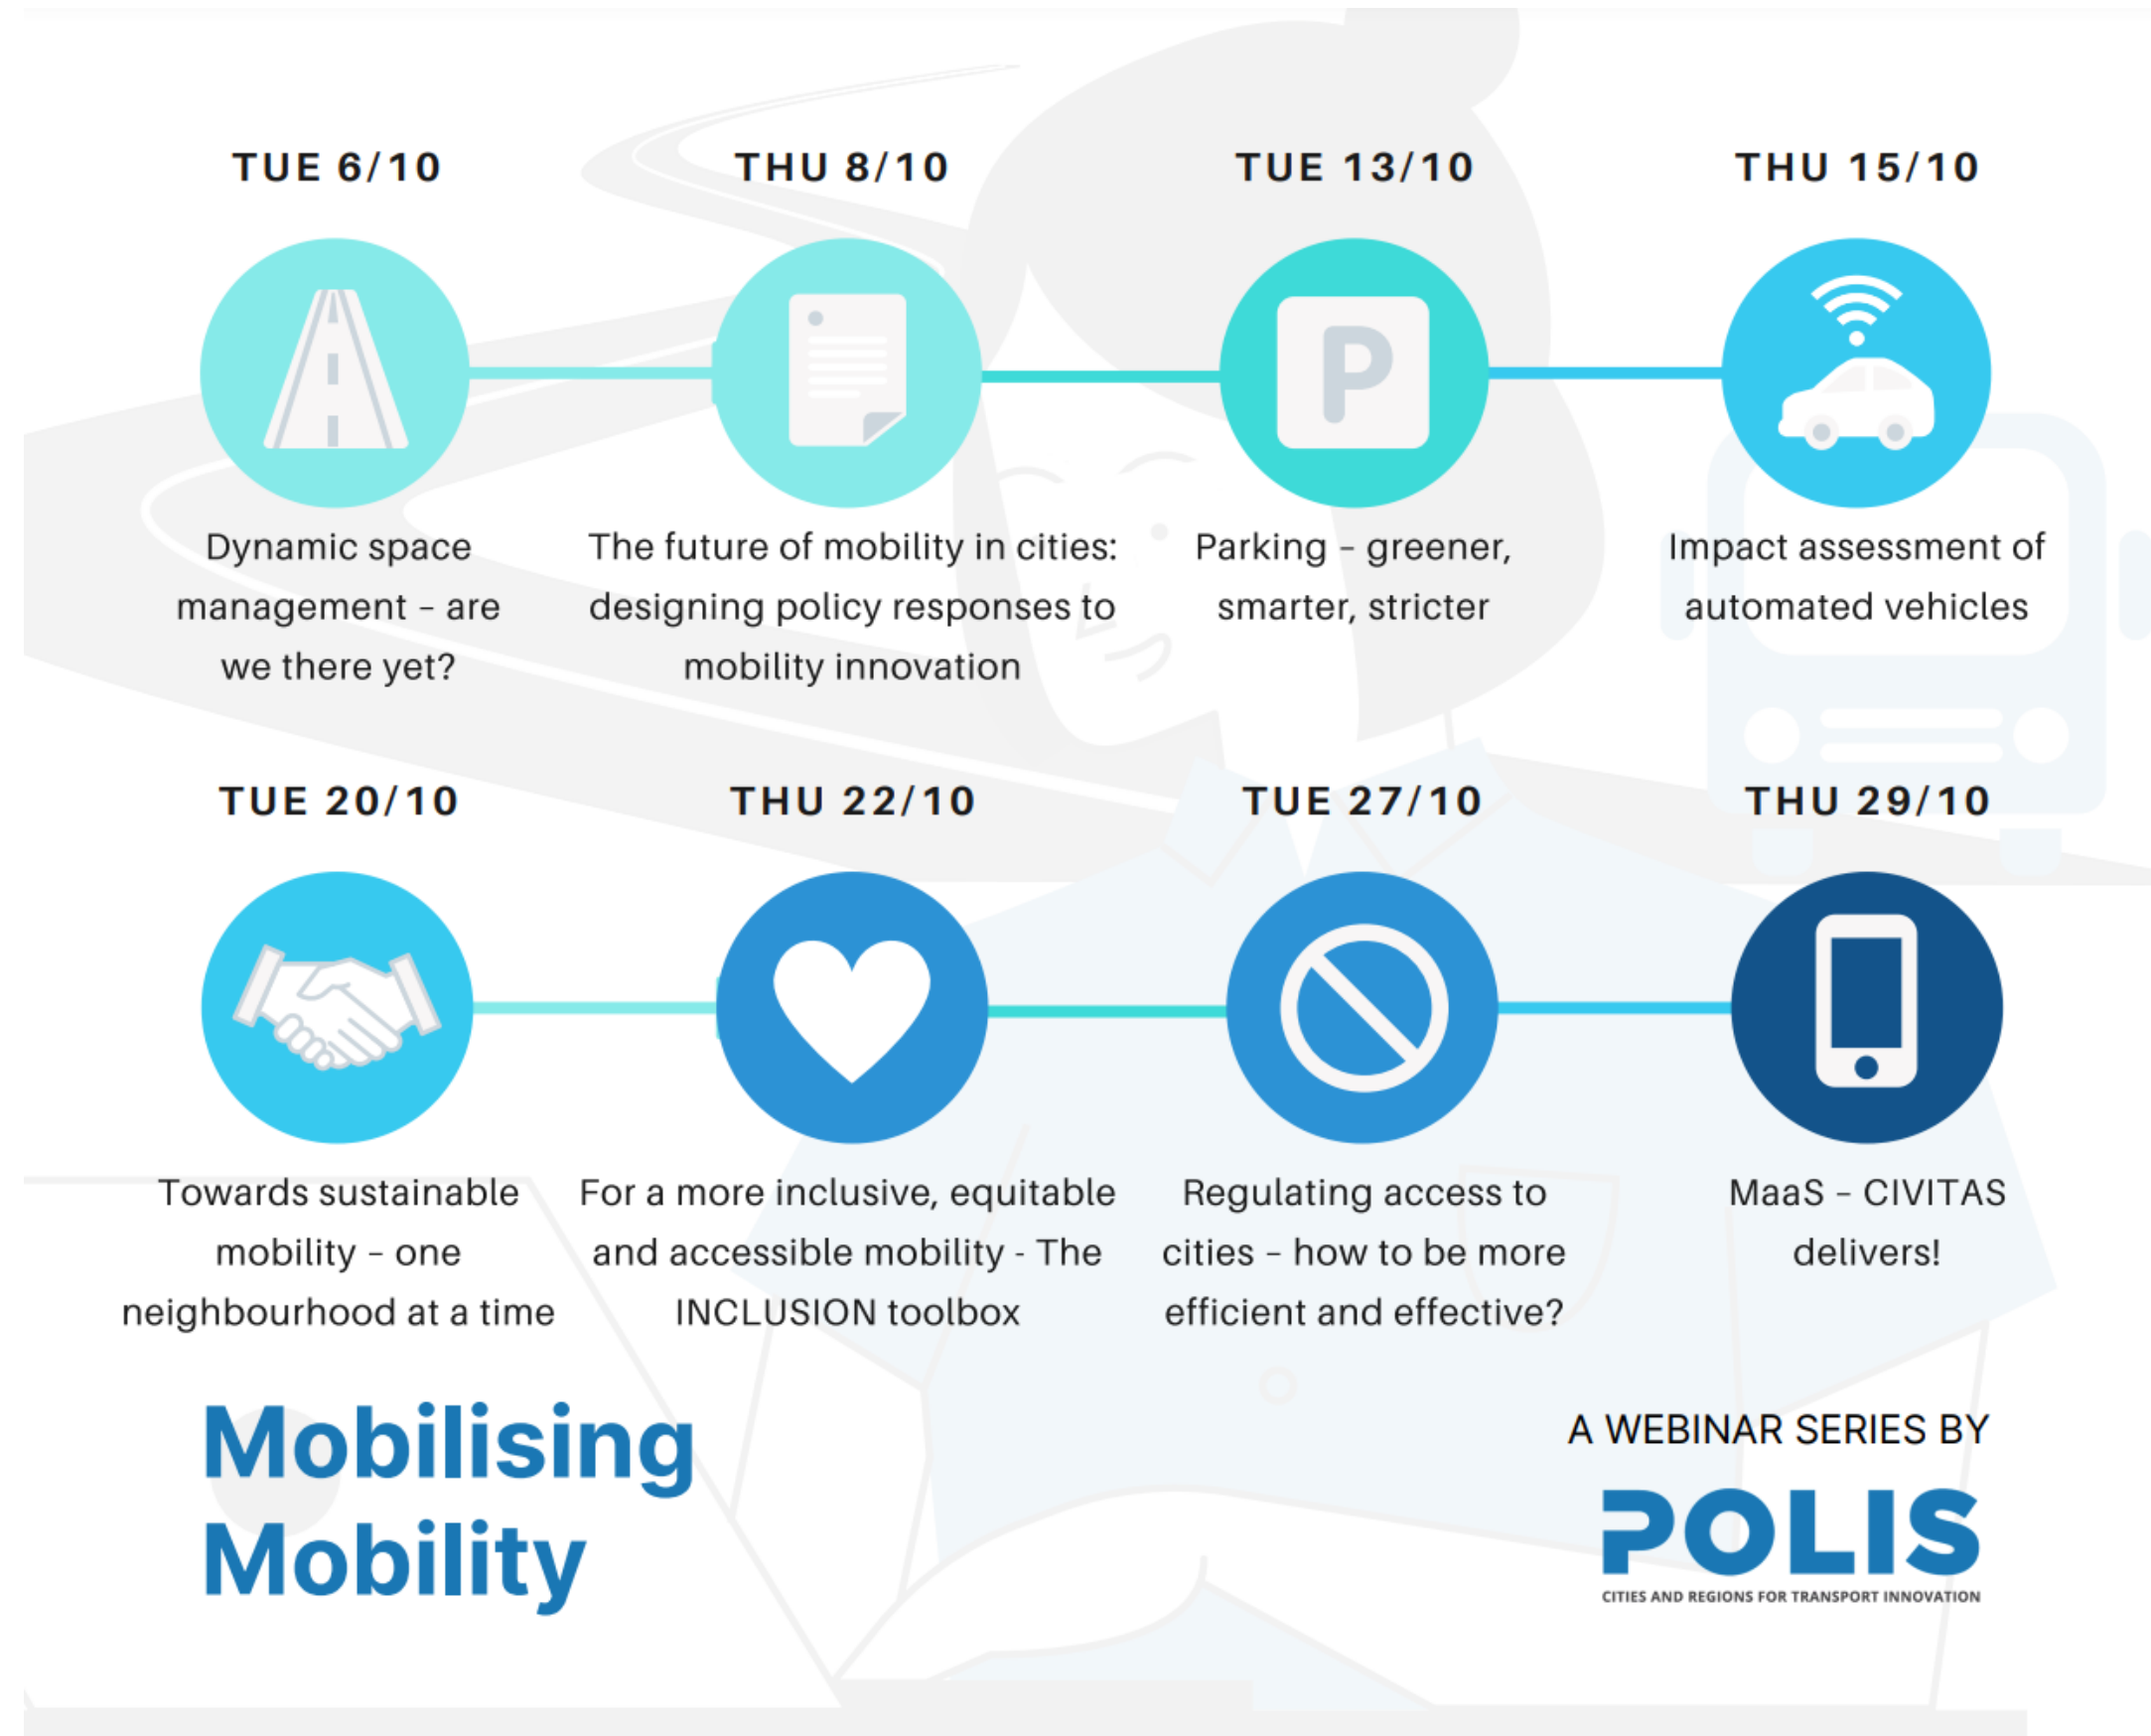

TURNING EUROPEAN TRANSPORT INNOVATION
INTO LOCAL ACTION

A WEBINAR SERIES BY

POLIS

CITIES AND REGIONS FOR TRANSPORT INNOVATION

About this webinar

- What **tools** has the INCLUSION project developed and what can we learn from its research?
- What are the project's key **recommendations** and what can be transferred to cities, regions, transport authorities and transport providers?
- What are the **business models** and **solutions** for delivering inclusive mobility and leaving no one behind?
- Can we achieve a **sustainable and inclusive mobility** while keeping it accessible, affordable, and inclusive for all?

For a more inclusive, equitable and accessible mobility - The INCLUSION toolbox

featuring **inclusion**

The background of the page is a photograph of a train station platform. A white high-speed train is stopped at the platform. Several people are walking on the platform, and a person is standing next to a bicycle. The image is overlaid with a semi-transparent blue rectangle containing text and a semi-transparent white circle containing a URL. There are also decorative green and blue curved lines in the background.

Towards more accessible and inclusive mobility solutions for European prioritised areas
