LESSONS LEARNED

- At least one person within local administration responsible for mobility
- “Make children independent” by supporting schools
- Strive for self-explaining road infrastructure
- Align enforcement and policy
 - *Clear speed policy and clear measures*
 - *Adjust infrastructure where necessary*

Aim for ZERO traffic fatalities

CHALLENGES/ISSUES

- Need for
 - *extra manpower*
 - *better alignment between municipality and police department*
 - *support in traffic data collection and analysis*

WHAT'S NEXT?

- Ambitions VSV:
 - *Spread throughout Flanders*
 - *Not only 1 province, collaboration with all 5 provinces in Flanders*
 - *Maximize traffic safety in all municipalities*
- Ambitions province of Antwerp:
 - *expand tool box*
 - *crash data analysis on a higher level*
