ROADMAP TOWARDS SAFE, EFFICIENT, INTEGRATED CITY LOGISTICS IN FLANDERS

Domien Stubbe – project leader VIL

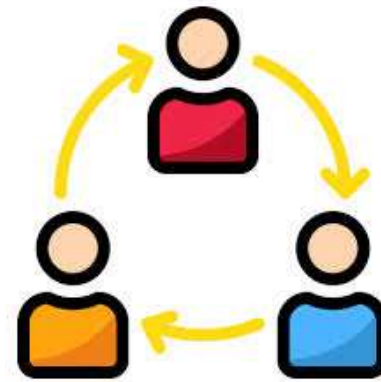

VIL roadmap for city logistics in Flanders

Stakeholder needs and questions:

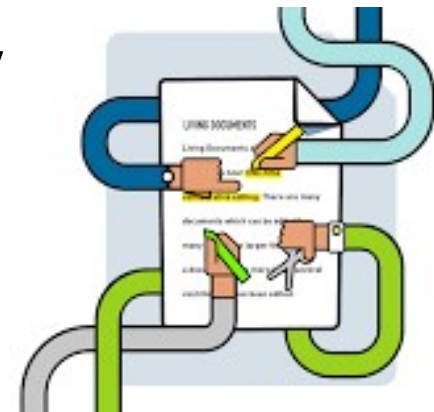

- Which policies will be installed, and when? What will the impact be?
- Which policies will have the right impact?
- How can we measure impact?
- Which technologies will make a difference?
- ...

=> A need for a joint vision between stakeholders

VIL roadmap for city logistics in Flanders

- Goal: inspire stakeholders to define personal vision & strategy
 - policy frameworks for government
 - SULPs for cities
 - Innovation/investment roadmaps for companies
- **The roadmap is a living document!**

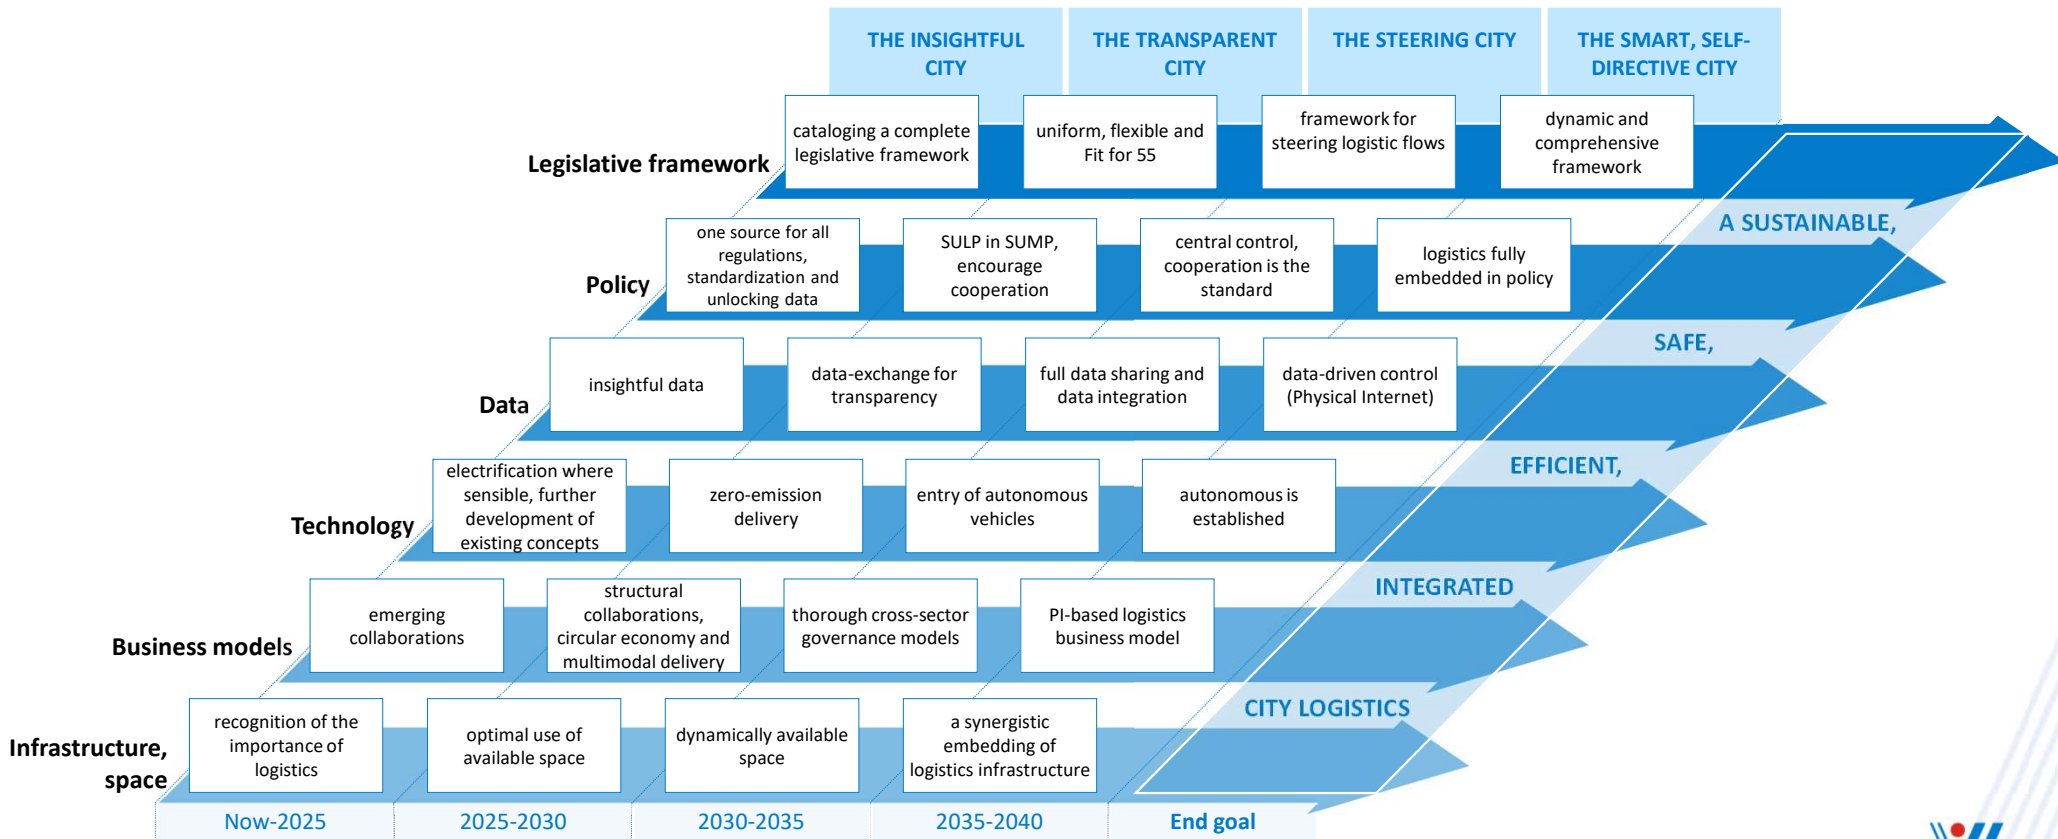

Define requirements of stakeholders

Expert advisory board
