5. Conclusion of contract/Registration

- (1) The presentation of services in the sponsors registration for the Annual POLIS Conference does not constitute an offer, but merely an invitation to submit offers.
- (2) The sponsor registers by returning the legally-binding signed registration form. The form shall be sent to the POLIS Network with a legally binding signature. The sponsor shall print out a copy of the document for his own files. Insofar as all conditions for acceptance have been fulfilled, the sponsor will receive written confirmation of acceptance by the POLIS Network. However, the sponsor has to accept the Special Conditions of Participation, the Technical Guidelines and the House Rules of Messe Karlsruhe. This confirms that these terms and conditions have been accepted by the sponsor and are thus included in their application.
- (3) If only an acknowledgement of receipt is sent, this shall not constitute acceptance of the application. The contract shall not be concluded until the application has been expressly accepted by the sponsor receiving a stand confirmation or otherwise expressly is accepted in text form (e.g. by order confirmation)/by e-mail.
- (4) The contract is concluded between the sponsor and the organizer. The trade fair/exhibition management will endeavour to comply with the sponsor's wishes in the choice of the stand or the stand form but reserves the right – in consultation with the sponsor – to make changes due to planning constraints.

6. Withdrawal / Cancellation

- (1) Once admission has been granted, withdrawal from the contract by the sponsor shall not be possible outside the statutory provisions and the following regulations. If the sponsor cancels their participation after this time or declares their withdrawal or termination of the contract, they must pay the participation fee for the entire booked stand area and/or the sponsoring package ordered and the ancillary costs incurred by the organizer up to this time.
- (2) To avert danger and/or for technical or safety-related reasons, the trade fair/exhibition management may prohibit or not permit an exhibit or

demonstration planned by the sponsor, even at short notice. The discretionary decision of the trade fair/exhibition management here is binding. In this case, the sponsor is not permitted to withdraw from the contract and is responsible for redesigning or repurposing their stand space in consultation with the trade fair/exhibition management. Non-approved goods may be removed by the organizer at the sponsor's expense without further warning.

(3) The following cancellation fees apply to services:

- a) Upon receipt of the notice of withdrawal or cancellation from admission up to eight days before the official start of set-up (in accordance with the special conditions of participation): 50% of the agreed net prices,
 - b) In the event of receipt of the notice of withdrawal or cancellation from seven days before the official start of stand construction (in accordance with the Special Conditions of Participation): 100% of the agreed net prices.
- (4) Individualised services, such as customised walls, graphics, etc., are excluded from cancellation.
- (5) The sponsor has the right to prove that the organizer has not incurred any damage in the amount of the costs specified in Sections 6 (1) to 6 (4).
- (6) The organizer is not obliged to agree to the acceptance of a contract with a substitute participant proposed by the sponsor.

7. Admission requirements

Sponsors may be manufacturers as well as those companies authorised by a manufacturing plant to exhibit their products. All exhibits must be precisely designated in the application and correspond to the offer ranges according to the product group index. Items other than those registered and approved may not be exhibited. The trade fair/exhibition management shall make all decisions regarding admission. The trade fair/exhibition management must be notified in text form and approve any changes made by the sponsor after approval has already been granted. In addition, the trade fair/exhibition management shall be entitled to revoke admission if the prerequisites for admission are not or no longer met. If the sponsor deviates from the information provided in the application without the written approval of the trade fair/exhibition management, the trade fair/exhibition management may exclude the sponsor from participating in the trade fair, even at short notice and without observing any deadlines. This cannot provide the basis for claims for damages by the sponsor against the organizer.

8. Prices of participation

The prices of participation are stated in the sponsoring brochure as well as the related registration form.

Should you require further services, please order them via the Exhibitors Service Folder that will be provided under Separate Cover.

9. Stand construction service

Please note: If the sponsor orders a stand construction package, he cannot claim offset or reimbursement for any stand construction material that is not required. All packages can only be ordered via the registration form. Once registration has taken place, stand construction can be ordered via the Exhibitors Service Folder.

10. Special provisions

The booked stand shape must be observed in the stand design. Open stand sides may be built up to a maximum of 1/3 with stand construction walls (aisle stand = 1 open stand side, corner stand = 2 open stand sides, end-of-block stand = 3 open stand sides, and island stand = 4 open stand sides).

11. Force majeure, pandemic-related restrictions

11.1 Force majeure is an external event which has a very serious impact on the contractual relationship. It is unforeseeable based on human judgement and experience and cannot be prevented or rendered harmless by economically viable means, even when the greatest reasonable degree of care has been taken. In the case of "force majeure" in particular, the organizer shall be entitled to postpone, shorten, lengthen or restrict the event in whole or in part, or temporarily or permanently close the event. In such a case, the sponsor shall have no claim for compensation against the organizer. Services already provided can be settled against the organizer, provided that these costs have already been covered by corresponding income or can be asserted and enforced against the sponsor in accordance with legal regulations and contractual agreements.

A case of force majeure shall be deemed to include the total or partial impossibility of the organizer to provide the contractually owed services,

including due to events which, insofar as they could have been foreseen, are outside the sphere of influence of the parties, in particular

- a) the interruption or not merely minor restriction of an adequate supply of electricity supply of electricity, gas or water or internet, provided that this is not only of short duration,
 - b) with regards to the occurrence and further development of pandemics in accordance with the Infection Protection Act (IfSG).
 - c) due to official/governmental orders or decrees.
- 11.2 In the case of the event being postponed for any other reason by up to one year, the contractual relationship between the Parties shall remain unchanged unless the sponsor or the organizer declares in text form to the other Party, within 14 days of notification of the postponement, that adherence to the contract is unreasonable. The grounds for this being considered unreasonable must be explained in full. The evaluation standard is based on Section 313 (1) of the German Civil Code. If the other contracting party does not subsequently object in text form within seven days, the explanation of the circumstances which make this unreasonable shall be deemed to have been accepted.

12. Stand construction approval

Provided that the Technical Guidelines are complied with in the design and construction of the stand, drawings and construction specifications must be submitted for approval for single-storey stand structures in the halls with a height of more than 3.5 metres.

13. Two-level stands

Two-level stands are subject not only to the stand rental but also to another 50% for the upper level.

14. Stand space

Minimum stand space shall be of 6 sqm. Smaller stand space can only be leased if this has been arranged with the trade fair/exhibition management and if such space results from the layout planning. Any structural column that are located within the stand space shall form part of the stand.

The final rental invoice shall be based on the dimensional survey taken by the trade fair/exhibition management. Each square metre or part thereof shall be charged in full, and the stand space shall generally be calculated as a rectangle, irrespective of installations, minor deviations, etc.

15. Design, fittings and furnishings

It is a requirement that each stand area must have constructionally defined borders separating it from neighbouring stands. If you do not have your own stand construction system or if you do not rent such a system via Messe Karlsruhe, then stand separation partitions (back and side panels) are mandatory. Such stand separation partitions are subject to a fee which is not included in the stand rental. Should you require stand separation partitions, please refer to the Exhibitors Service Folder. If you do not order stand separation partitions but your stand space is surrounded by partitions of your neighbours or by existing partitions, then you will be charged for those partitions on the terms specified in the Exhibitors Service Folder. Approx. 5 cm shall be deducted from the width of an allocated stand, unless you have specifically requested clear width on account of standard stand construction. For safety reasons, stand separation partitions in basic stand construction are secured by support partitions which may only be removed by the organizer's contracting company upon securing the structural stability of the separation partitions.

The sponsor is liable for any damage resulting from failure to ensure the renewed structural stability of stand separation partitions after the dismantling of his stand. The sponsor shall submit drawings and sketches of the intended stand construction. To set up his own marquees, pavilions or roofed-over facilities on outdoor premises, the sponsor requires permission which shall be dependent on the prior submission of a draft plan. Any decoration material used by the sponsor shall be flame-retardant and must comply with all other police regulations. Any damage to partitions and flooring and any modifications to the rented stand space by the sponsor, his staff or his agents shall be the sponsor's liability. Any compensation claims resulting from such damage shall be billed separately. The sponsor shall notify the trade fair/exhibition management of any contracted design companies unless those are companies which the sponsor runs himself. The sponsor shall use local companies if this becomes relevant. The interior finish of the halls shall not be modified by sponsors. Pillars, wall projections, fire extinguishers, partitions, distribution boxes and other technical facilities form part of the allocated stand space.

16. Assembly and dismantling

The sponsor shall receive the Exhibitors Service Folder in good time and undertakes to note the content of the same.

If a company's stand is still unoccupied 12 hours prior to the beginning of the event or if there is no indication that the sponsor will arrive at a later stage, then his space shall be given side and back panels at the expense of the sponsor, upon instruction of the trade fair/exhibition management, and the entire stand shall be either decorated with a view to creating a good overall impression or the space shall be given to other customers. In such a case, stand rental and/or the respective sponsoring package shall be payable in full. The organizer shall under no circumstances be held liable for damage caused by the sponsor's delay in submitting orders (incorrect obligatory entry in the sponsors' directory, incomplete electric power lines during assembly, etc.). If the sponsor dismantles his stand before the end of the exhibition, then the trade fair/exhibition management shall be entitled to charge a contractual penalty of € 500.00 + VAT.

17. Complaints regarding stand construction services

Complaints must be reported immediately (without culpable delay) by the applicant on site at the Service Center of Messe Karlsruhe.

18. Sponsors badges

Sponsors badges will be provided as stated in the participation package which has been booked.

19. Sponsors communication tools

The organizer will publish your profile on the event website and on the online-platform talque. Where applicable, the sponsor may also be mentioned via social media channels, is provided media coverage or advertisements in the Cities in motion magazine. This can only be provided if registration has been received on time.

When the sponsor submits or uploads texts and images, the sponsor is responsible for the copyright permissibility of their use in the printed and/or online version of the organizer's communication tools. It is solely the responsibility of the sponsor to obtain from the holder of the authorship rights the permission which is necessary for the reproduction of images and texts. If the organizer should be sued, especially by the holder of the authorship rights or by the holder's representative, for violation of copyright caused by the organizer's use of images and texts which the sponsor submitted and/or uploaded, then the sponsor shall be liable for the resulting damages and shall indemnify the organizer with regard to these claims from the third party. The sponsor shall pay any licensing, utilization or authorship fees (e.g. to VG Bild Kunst or to the artist or to the author of the submitted and/or uploaded texts) incurred by the reproduction of texts and images in the directory and/or magazines.

20. Animals

Animals are not permitted at the event. Guide or assistance dogs are permitted where required for medical reasons. Proof of the need for such guide/assistance dog must be presented upon request.

21. Photography

The trade fair/exhibition management is entitled to authorise staff to make drawings, video recordings and photographs of trade fair stands and exhibits and to use the resulting material for its advertising purposes. The sponsor shall waive all objections arising from his rights of ownership and rights of use. Other persons require express written permission from the trade fair/exhibition management for recordings of any kind.

22. Copyrights/permissibility of the use of texts, images and sound recordings within the framework of the event

The sponsor is responsible for the copyright permissibility of the use of the texts, images and sound recordings submitted/uploaded by him. The sponsor is solely responsible for obtaining the necessary copyright consent from a copyright holder for the reproduction of image and sound recordings. Should the organizer be exposed to claims by third parties, in particular by copyright holders or their representatives, due to the infringement of copyrights resulting from the use of texts, images and sound recordings submitted/uploaded by the sponsor, the sponsor shall be liable for any damage incurred by the organizer as a result and shall indemnify the organizer against any such claims against the third party and reimburse him for all costs of legal defence and compensate him for any further damage resulting from the claim. Rights within the meaning of this provision are also those rights whose management has been transferred to collecting societies. Any licence or exploitation fees or

copyright fees (e.g. to VG Bild Kunst or the artist or author of the submitted/uploaded texts) arising from the reproduction of texts, images and sound recordings shall be borne by the sponsor.

23. Technical facilities

The specifications of the technical guidelines ([technische-richtlinien-fuer-messen-und-ausstellungen-kongresszentrum-2.pdf \(messe-karlsruhe.de\)](#)) must be observed.

24. Terms of payment

Rent for sponsoring packages and stand space (stand rental) and all other charges are net prices and exclusive of German VAT which is payable at the relevant statutory rate, specified in addition to each price. If no valid VAT ID is provided by companies from the EU with places of business outside Germany, then Messe Karlsruhe is obligated to add the statutory sales tax to the invoice sum. The sponsor shall receive an invoice after confirmation of the stand and the sponsoring packages ordered; where additional charges and stand construction packages are concerned, invoicing shall depend on the order date. All invoices are payable upon receipt. If an invoice is not settled by the sponsor within 30 days of receipt, then the sponsor shall be considered as being in arrears irrespective of a reminder. If the sponsor is in arrears, then the trade fair/exhibition management shall be entitled to charge default interest at the statutory rate. In the event of continuing arrears despite a reminder, the organizer and in particular the trade fair/exhibition management reserve the right to cancel the agreement with immediate effect on the grounds of a compelling reason. Please note that all orders received less than two weeks before the start of the event will be subject to an express service surcharge of 25%.

25. Advertising

Active advertising outside the rented stand is not permitted except for the onsite advertising services offered by the organizer. In the event of violations, the trade fair/exhibition management reserves the right to take immediate action. It may also cancel existing agreements for subsequent events on the grounds that essential requirements for contractual fulfilment are no longer met.

26. Accident prevention

The specifications of the technical guidelines ([technische-richtlinien-fuer-messen-und-ausstellungen-kongresszentrum-2.pdf \(messe-karlsruhe.de\)](#)) must be observed.

27. Cleaning

The cleaning of outdoor exhibition premises and halls shall be conducted by the trade fair/exhibition management. The sponsor undertakes to clean the stand he has rented. Packaging and similar materials shall not be stored in halls.

28. Insurance and security

The sponsor shall be liable for any personal injury and property damage caused by his company. Please note, that the organizer and in particular the trade fair/exhibition management accepts no liability for damage caused by fire, burglary, theft, burst pipes or weather conditions. We therefore urgently recommend the conclusion of an exhibition risk insurance. The trade fair/exhibition management has concluded a special agreement with an insurance company for the duration of the exhibition. In view of the special reduced rates that are available, it is recommended that sponsors join this agreement. Should the sponsor wish to obtain special chargeable stand security, then this shall be conducted exclusively by companies commissioned for this purpose by the trade

fair/exhibition management on the terms which are applicable at the time. The relevant forms can be found in the Exhibitors Service Folder. The obligation to take out liability insurance for separately bookable services remains reserved.

29. GEMA

The sponsor shall contact GEMA (German Society for Musical Performing Rights and Mechanical Reproduction Rights) in the following cases: use of live music, band music, records, cassettes, CDs, DVDs, presentations of films with sound or videos with music or in the event of membership of an AV or TV medium. GEMA, 11506 Berlin, Germany, Phone: +49(0)30 58858999.

30. Data protection

The personal data which you have provided will be processed in the context of fulfilling the contract. In this context, the data may also be passed along to third parties (service partners) insofar as this may be necessary to fulfil the contract. The processing of the data occurs according to article 6, paragraph 1, lit b DSGVO. Moreover, your data will be used in legitimate interest for direct advertising according to article 6, paragraph 1, lit f DSGVO. You can find further information at: [Data protection | Messe Karlsruhe \(messe-karlsruhe.de\)](#)

31. Domiciliary right

The trade fair/exhibition management exercises a domiciliary right on the outdoor premises and in the exhibition halls. Instructions of the trade fair/exhibition management, their employees and their stewards shall be observed.

32. Recognition of the terms and conditions of exhibition and the house rules

By registering for participation in the exhibition, the sponsor bindingly recognises these Special Terms and Conditions for Participation, the Technical Guidelines and the House Rules both for himself and for his agents. In the event of a violation, the trade fair/exhibition management shall be entitled to remove the faults or disruptions at the expense of the relevant sponsor and to close down the stand without compensation.

33. Period of limitation

All contractual and pre-contractual claims of the sponsor towards the organizer, in particular the trade fair/exhibition management, shall come under the statute of limitation for a period of 6 months. This period shall start on the working day after the end of the exhibition.

34. The place of jurisdiction and performance is Karlsruhe.

The place of fulfilment and jurisdiction is Karlsruhe. The law of the Federal Republic of Germany shall apply. The terms and conditions of the organizer and in particular the trade fair/exhibition management shall apply exclusively; the terms and conditions of the sponsors / exhibitors shall not apply.

35. Voidance

Should any of the aforementioned provisions be or become invalid, then this shall not affect the validity of the remaining Special Terms and Conditions for Participation or the entire agreement. Should one of these provisions be invalid, then the parties agree that it shall be replaced by whatever provision comes as close to it as possible in terms of its economic meaning and purpose.
