HOW & WHY

We created the project

Summary

Greener alternative and higher convenience for citizens who get easy access to various services.

50 boxes placed in the Aalborg municipality.

Private & public collaboration for faster implementation.

Multiple use-cases to build acceptance of the boxes;

Click & Collect

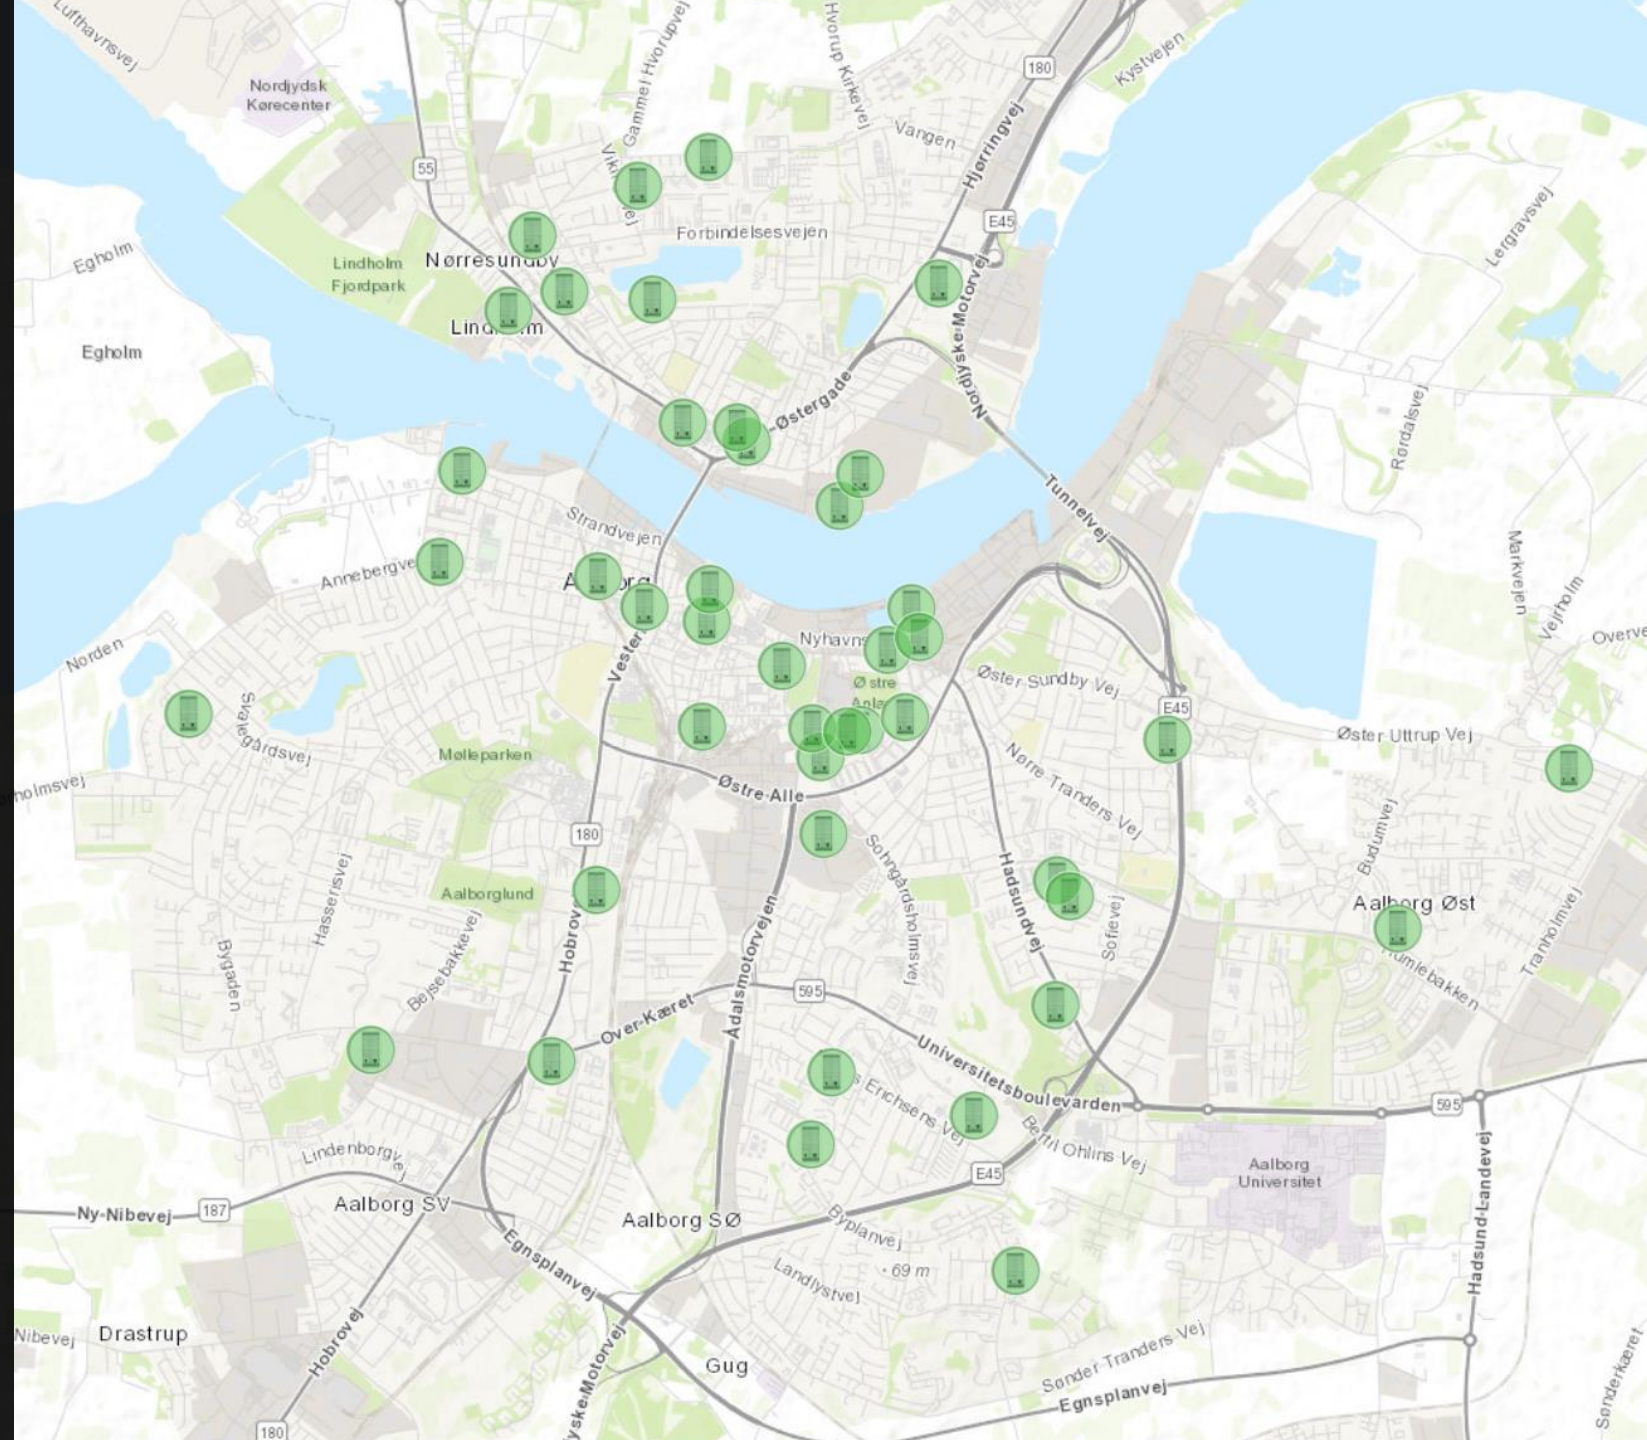

Return of packages

Medicine

Get and return library books

Handling of dangerous goods

Return of reusable food packagings

An aerial photograph of Aalborg, Denmark, showing a dense urban landscape with a mix of modern and traditional architecture. The city is situated along a large body of water, with the harbor in the foreground. The sky is a mix of blue and orange, suggesting sunset or sunrise. The water reflects the city and the sky.

This is just the beginning
