CITIES AND REGIONS FOR TRANSPORT INNOVATION

ANNUAL
CONFERENCE
2024

27-28 NOVEMBER 2024

KARLSRUHE (DE)

Baden-Württemberg
Ministry of Transport

Karlsruhe

Towards low pollution neighborhoods:

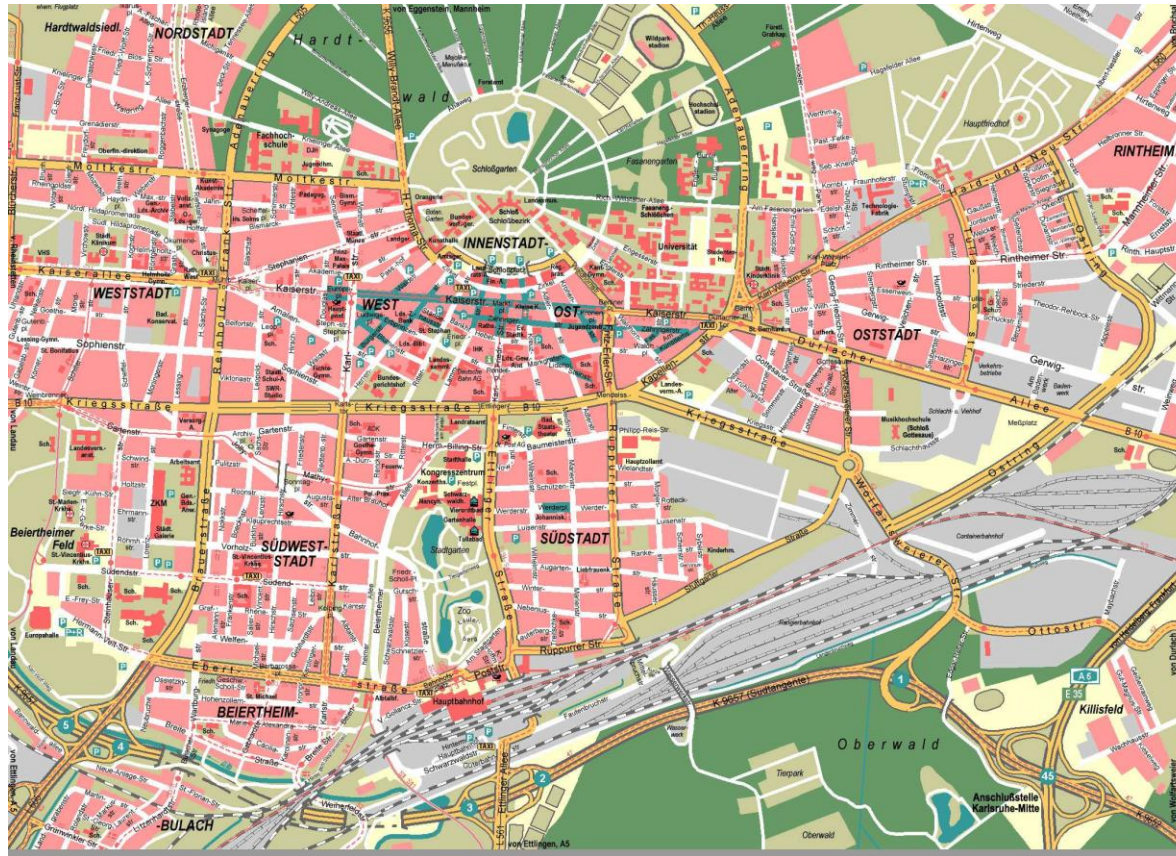

Redefining our relationship to cars and diversifying the mobility
culture in cities

Radcliffe Dacanay, Seattle Department of Transportation

I lived here...

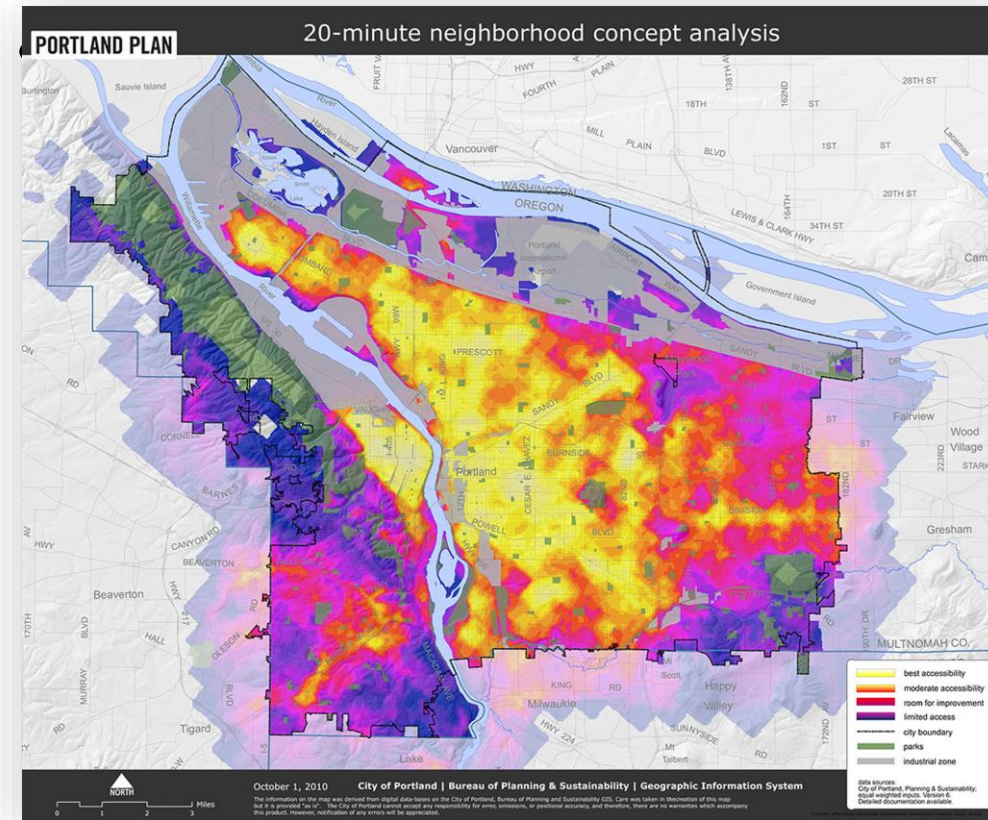

All I learned about good city planning...

- I learned here first from Karlsruhe
- I lived it
- Gemutlichkeit

From Regional Plans to 20-Minute Neighborhoods

2023 Green & Healthy Streets Spotlights

\$1.2 Million Invested
In federal aid to create healthy neighborhoods

Planning Low Pollution Zones

Co-Creating with Community

Integrate Existing Elements

Managed Access

#Itsintheair / C40 Partnership
