Sustainability

GZM Metrobike
An (Eastern) European
Lighthouse project
connecting 31 cities with
active mobility

The largest bicycle system in Poland and the 3rd largest in Europe

 **7 015**

bikes

 **927**

stations

 **40**

municipalities

 **2,3 mln**

residents

SMARTCITY
EXPO WORLD CONGRESS

MOBILITY AWARD

2 phases of system roll-out

I- 1860 bikes

II - 7000 bikes

 65 km

Metrobike

One ticket for all transportation needs

Easy step to integrate accounts

Having an account in the agglomeration transportation system requires:

1. purchasing a short-term or long-term ticket,
2. entering the user ID number in the METROBIKE app.

The user will automatically receive 60 minutes for bike rides – everyday.

Metrobike summary in numbers

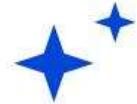

over 2 million

rentals
229,000 new user accounts created

over 23,000 active accounts integrated with
public transport
